

For us, this October 20th is about ...Supporting Breast Cancer CD 2000, Inc.

This organization believes in the benefits of music as a complementary therapy for breast cancer patients. Founded by Laura Fial, a breast cancer survivor and professional singer, the organization gives back to the community year-round by awarding up to \$1,000 through the Marilyn Nierenberg-Shaoul Scholarship program. In addition, the Soul Survivors, a talented singing group of breast cancer survivors, performs at fundraisers and develops music projects that all who participate in, and those they love, can be proud of. For more information about our organization, volunteering, or to purchase a CD, please visit our web site at [www.breastcancercd2000.com](http://www.breastcancercd2000.com) or call, 602-434-6567.
